Welcome

Just as China, Taiwan, Singapore, Hong Kong and Macau have been transformed since the turn of this century, modern software programs make it easier to use, learn and understand Chinese. As one of the most popular languages in the world, new words, concepts, phrases and names are continuously being added. Through Loqu8's advanced tracking and learning technologies, you'll always be ready with your *Webster's Digital Chinese Dictionary*.

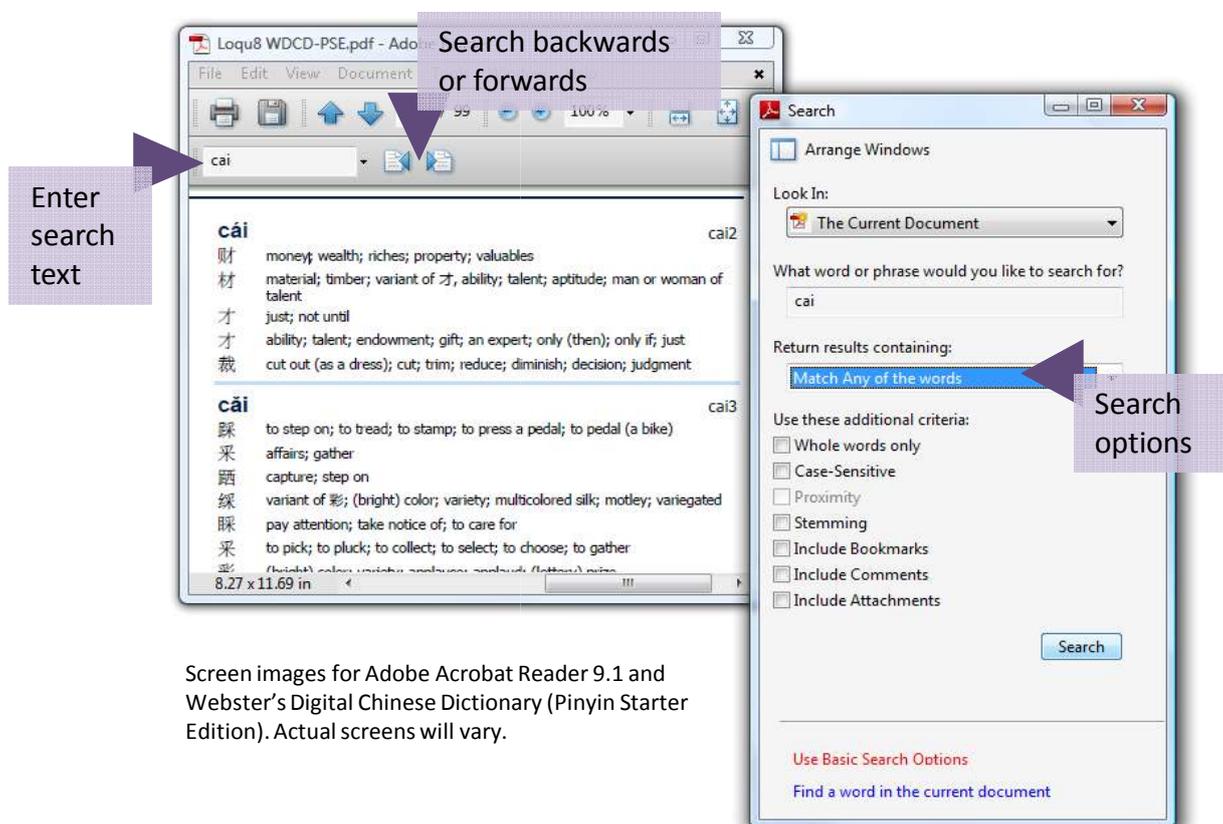

With Chinese on track to become one of the key languages for the new millennium, the *Webster's Digital Chinese Dictionary* becomes an indispensable tool for learning and using Chinese. Whether you're flying into Asia on a jumbo plane or reviewing important documents on a high-speed train in Shanghai, this digital dictionary provides immediate access to thousands of words—without requiring a high speed Internet connection. From the convenience of your eBook viewer, netbook, notebook computer or even printed pages, this dictionary quickly becomes a trusted companion. From your computer, find every dictionary entry using Chinese, Pinyin or English with your PDF viewer. For detailed study, print only the pages you need and add your own annotations. Welcome to the new global, digital world.

Using this Dictionary

Forget about bulky, hard-to-use Chinese-English dictionaries. The *Webster's Digital Chinese Dictionary* is a fast, easy way to find the word you want.

1. Open the *Webster's Digital Chinese Dictionary* using Adobe Acrobat Reader or compatible PDF viewer.
2. In the Find box, enter search text. For example:
 - **English:** *money*
 - **Chinese:** 财 or 財
 - **Pinyin (tone numbers or tone marks):** *cai2* or *cái*

Screen images for Adobe Acrobat Reader 9.1 and Webster's Digital Chinese Dictionary (Pinyin Starter Edition). Actual screens will vary.

Tip: To search Pinyin without tone numbers or tone marks, select the advanced search option: **Match Any of the words**
